Deadlocked: A True Blood Novel by Charlaine Harris. Sookie has a murder investigation on her hands. A young girl has died at a vampire party - and it looks as though her lover, Eric, might be responsible. Eric swears he didn't do it, the police don't believe him, and even Sookie isn't so sure. Nor is she inclined to take his word for it, not having caught him enjoying the victim's blood minutes before she was killed.

While reading Deadlocked, the latest novel in the Sookie Stackhouse series, I was reminded of a quote by Stephen King from On Writing: "If I don't write every day, the characters begin to stale off in my mind □ they begin to seem like characters instead of real people. The tale's narrative cutting edge starts to rust and I begin to lose my hold on the story's plot and pace.

Sookie has a murder investigation on her hands. A young girl has died at a vampire party - and it looks as though her lover, Eric, might be responsible. Eric swears he didn't do it, the police don't believe him, and even Sookie isn't so sure. Nor is she inclined to take his word for it, not having caught him enjoying the victim's blood minutes before she was killed. But something strange is going on. Why had Sookie been asked to come to the fateful party a few minutes early - just to catch Eric in the act? And why had the victim spiked her blood before approaching Eric? Was it simply because she wanted to be irresistible, or was it something more sinister? Sookie will have to find out... but it's the worst moment to investigate, as her Fae family are having troubles of their own and Sookie is, inevitably, drawn in. And there is one last complication. The cluviel dor her grandmother left her. It will grant her one wish, which could fulfil Sookie's heart's desire. The only problem is, she still doesn't know what - or who - her heart truly desires...

In the penultimate novel in the #1 New York Times bestselling series—the inspiration for the HBO® original series True Blood—Sookie Stackhouse must work with her first love to clear her current undead flame of murder... Felipe de Castro, the vampire King of Louisiana (and Arkansas and Nevada), is in town. It's the worst possible time for a human body to show up in Eric Northman's front yard—especially the body of a woman whose blood he just drank. Now it's up to Sookie and Bill Compton, the official Area Five investigator, to solve the murder. Sookie thinks that, at least this time, the dead girl's fate has nothing to do with her. But she is wrong. She has an enemy, one far more devious than she would ever suspect, who has set out to make Sookie's world come crashing down.

Visting vampires, feuding faeries, deadly romance. No-one throws a party like Sookie Stackhouse ... Sookie has a murder investigation on her hands. A young girl has died at a vampire party - and it looks as though her lover, Eric, might be responsible. Eric swears he didn't do it, the police don't believe him, and even Sookie isn't so sure. Nor is she inclined to take his word for it, not having caught him enjoying the victim's blood minutes before she was killed. But something strange is going on. Why had Sookie been asked to come to the fateful party a few minutes early - just to catch Eric in the act? And why had the victim spiked her blood before approaching Eric? Was it simply because she wanted to be irresistible, or was it something more sinister? Sookie will have to find out ... but it's the worst moment to investigate, as her Fae family are having troubles of their own and Sookie is, inevitably, drawn in. And there is one last complication. The cluviel dor her grandmother left her. It will grant her one wish, which could fulfil Sookie's heart's desire. The only problem is, she still doesn't know what - or who - her heart truly desires ...

When the body of a were-panther is discovered in the parking lot of Merlotte's, Sookie Stackhouse tries to discover the identity of the killer, but encounters a much greater threat to the human and undead communities of Bon Temps.

Sink your teeth into the first novel in the #1 New York Times bestselling Sookie Stackhouse series—the books that gave life to the Dead and inspired the HBO® original series True Blood. Sookie Stackhouse is just a small-time cocktail waitress in small-town Bon Temps, Louisiana. She's quiet, doesn't get out much, and tends to mind her own business—except when it comes to her “disability.” Sookie can read minds. And that doesn't make her too dateable. Then along comes Bill Compton. He's tall, dark, handsome—and Sookie can't hear a word he's thinking. He's exactly the type of guy she's been waiting for all her life... But Bill has a disability of his own: he's a vampire with a bad reputation. And when a string of murders hits Bon Temps—along with a gang of truly nasty bloodsuckers looking for Bill—Sookie starts to wonder if having a vampire for a boyfriend is such a bright idea.

After learning the devastating reason why vampire hunk Eric Northman has been cooling on their relationship, clairvoyant waitress Sookie Stackhouse becomes embroiled in a shocking murder that sends all of Bon Temps reeling in the final novel of the best-selling series. Reprint. 750,000 first printing.

After witnessing the firebombing of the bar where she works, clairvoyant Sookie Stackhouse has her attention diverted when she realizes her vampire lover, Eric Northman, and his "child," Pam, are plotting to kill the vampire who is now their master.

"This is a really, really good book. Anna is a great character, Stein's plotting is adventurous and original, and I think my readers would have a great time with THE BECOMING. Best of all, Stein is writing a sequel." --New York Times bestselling author Charlaine Harris "With plot twists, engaging characters and smart writing, this first installment in a new supernatural series has all the marks of a hit. Anna Strong lives up to her name: equally tenacious and vulnerable. She's a heroine with the charm, savvy and intelligence that fans of Laurell K. Hamilton and Kim Harrison will be happy to root for. If this debut novel is any indication, Stein has a fine career ahead of her." --Publishers Weekly My name is Anna Strong. I was thirty on my last birthday, and I will be thirty when you read this. In fact, physically I will never be older than thirty

no matter how many mortal years I have on this earth. I am a vampire. How I became one and the reason for my existence is the reason for this story. I tell it the way it happened so you will learn the truth as I did. It may not be what you expect . . . Anna Strong is a bounty hunter--tough, confident, at the top of her game. But when she is attacked one night in a parking lot, her life is inexorably changed. She awakens in the hospital to find she has become a vampire and her world is now the unsettling world of the undead. With her mentor, the vampire doctor who treats her, she strives to make sense of it all. But then her home is burned to the ground, and her best friend is kidnapped. Anna suddenly finds herself alone on a quest to save not only her friend, but herself as well . . .

Psychic cocktail waitress Sookie Stackhouse finds herself in the middle of big trouble of the supernatural kind in this novel in the #1 New York Times bestselling series—the inspiration for the HBO® original series True Blood. After the natural disaster of Hurricane Katrina, and the manmade horror of the explosion at the vampire summit, Sookie Stackhouse is safe but dazed, yearning for things to get back to normal. But her boyfriend Quinn is among the missing. And things are changing, whether the Werens and vamps in her corner of Louisiana like it or not. In the ensuing battles, Sookie faces danger, death...and once more, betrayal by someone she loves. And when the fur has finished flying and the cold blood ceases flowing, her world will be forever altered...

Find out what happened after the conclusion of the #1 New York Times bestselling Sookie Stackhouse series—the inspiration for the HBO® original series True Blood. Dead Ever After marked the end of the Sookie Stackhouse series—novels that garnered millions of fans and spawned the hit HBO television show True Blood. It also stoked a hunger that will never die—a hunger to know what happened next. With characters arranged alphabetically—from the Ancient Pythoness to Bethany Zanelli—bestselling author Charlaine Harris takes fans into the future of their favorite residents of Bon Temps and environs. You'll learn how Michele and Jason's marriage fared, what happened to Sookie's cousin Hunter, and whether Tara and JB's twins grew up to be solid citizens. This coda provides the answers to your lingering questions—including details of Sookie's own happily-ever-after...
