The First Doctor, John and Gillian arrived and, investigating, discovered that the flying Zarbi were actually Zarbi-shaped vehicles piloted by Skirkons, who had come to Vortis for its supplies of Galvinium X, and had enslaved the real Zarbi to oversee their Menopteran slaves. The Doctor and his grandchildren freed the Menoptera and defeated the Skirkons, who died when their base was destroyed.

Doctor Who and The Zarbi BBC P/B

The creation of the extraordinary Zarbi was based on writer Bill Strutton ' s childhood recollection of seeing two bull ants fighting. Trying to prise the two insects apart, the young Bill received a nasty bite for his trouble, and without this long-lasting memory, the Zarbi might never have been born! The Zarbi figurine is hand-painted to perfection and is one of the Zarbi that appeared in the 1965 adventure ' The Web Planet'.

companions stop the Daleks' plan to totally exterminate their mortal enemies, the peace-loving Thals? More importantly, even if they can escape from the Daleks, will Ian and Barbara ever see their home planet Earth again? This novel is based on the second Doctor Who story which was originally broadcast from 21 December 1963-1 February 1964. Featuring the First Doctor as played by William Hartnell, and his companions Susan, Ian and Barbara

In 1920s London the Doctor and Rose find themselves caught up in the hunt for a mysterious murderer. But not everyone or everything is what they seem. Secrets lie behind locked doors and inhuman killers roam the streets. Who is the Painted Lady and why is she so interested in the Doctor? How can a cat return from the dead? Can anyone be trusted to tell or even to know the truth? With the

faceless killers closing in, the Doctor and Rose must solve the mystery of the Clockwise Man before London itself is destroyed... Featuring the Doctor and Rose as played by Christopher Eccleston and Billie Piper in the hit series from BBC Television

November 23, 1963: A day that changed the world forever. That day saw the broadcast debut of Doctor Who, which was to become the longest-running science-fiction series on television. And now 50 years later, we pay tribute to one of the greatest pop-culture heroes of all time with this special series, which tells an epic adventure featuring all 11 incarnations of the intrepid traveler through time and space known simply as... the Doctor.

The second Doctor returns to Vortis with his companions Jamie

File Type PDF Doctor Who And The Zarbi

and Victoria. But the Web Planet is not the world he knew, and the peaceful Menoptera are caught up in a bitter interplanetary war between opposing factions of an alien race.

Doctor Who has been on global television screens for nearly fifty years, and many of its most memorable protagonists have been its monsters, The Daleks, Cybermen, Slitheen, the Sonterans, Ood, Wiirrn, and others. Entertainingly and provocatively written, and introduced by Who scriptwriter Paul Cornell, *The Doctor's Monsters* takes a new look at these and many other creatures, and asks what inspired them and what lies behind them. If the Daleks are based on ideas of genetic purity, and the Cybermen on fears of transplant surgery, what about the Autons, the Zarbi, or the Weeping Angels? Science fiction critic Graham Sleight examines

File Type PDF Doctor Who And The Zarbi

stories from the whole of Doctor Who's history to give this unique perspective on the series. Why are we so scared of monsters? Why do they look and act the way they do? How do they reflect the time and place that the series is broadcast in? Along the way, the book provides a history - from an unusual angle - of how this most enduring of TV science fiction series has created and recreated itself. The book also contains a comprehensive glossary of the creatures seen in Doctor Who. It is a must for any fan of the series.

Features an epic adventure featuring all eleven incarnations of the Doctor as he battles a mysterious cloaked figure from his past and future.

File Type PDF Doctor Who And The Zarbi

Know your enemy. The Daleks are the most evil creatures ever created - genetically engineered mutants encased in a machine that is optimised to kill. They hate all other life forms and will stop at nothing to destroy those who stand in their way - their single-minded imperative? To become the dominant species in the universe. The Dalek Combat Training Manual collates intelligence gathered by Time Lords over centuries of raging wars through time and space, and is invaluable to anyone engaging the Daleks in battle. It furnishes the user with an in-depth guide to their construction, their strategies and how they are to be ultimately defeated. Discover full schematics of Dalek spacecraft, insights into the Dalek factions, a history of the Time War, detailed analysis of their creator Davros, and much more. This manual is the definitive
