Isabel Allende - El juego de ripper
Una novela que mantiene el suspense a cada página y que aborda temas como la ecología, el racismo y la marginación

(PDF) El Juego de Ripper - Isabel Allende. | Laura ...
Con ese fin logró el concurso de los jugadores de Ripper y de su mejor amigo, Blake Jackson, quien casualmente era también su abuelo, sin sospechar que la diversión se tornaría violenta y su madre, Indiana Jackson, sería una de las víctimas.

Isabel Allende - El juego de ripper
Si Indiana suele buscar el lado bueno de las personas, Amanda, siempre fascinada por el lado oscuro, tiende a ser más como su padre, inspector de policía. Brillante e introvertida, esta estudiante del último año de instituto anda siempre con una novela negra bajo el brazo al tiempo que lidera Ripper, un juego de rol que comparte con su abuelo y con amigos de todo el mundo.

Isabel Allende - El juego de ripper
2 stars In Isabel Allende's Acknowledgments for Ripper (which to me almost come off, really, as a mea culpa for her 500 page genre buster), she indicates that this was a 2012 project idea by her agent to have Allende and her husband (evidently an author himself, though good luck finding anything about Willie Gordon on Goodreads) to collaborate on a 'Crime Novel', but that they quickly realized ...

Ripper by Isabel Allende - Goodreads
2.0 out of 5 stars Isabel Allende is losing her tributes as a good novelist. El juego de Ripper is poor novel. Reviewed in the United States on April 29, 2014. Verified Purchase. The need to put out one book a year it's what pushed Allende into writing this book, which was a suggestion from her agent.

"El juego de Ripper" es una novela negra muy actual donde tienen cabida las nuevas tecnologías, las deducciones racionales y puramente científicas pero, también, ciertas dosis de magia. Isabel Allende cambia de registro, aunque sigue regalándonos personajes tan entrañables como curiosos. Una madre tierna y esotérica que se gana la vida de sanadora aplicando métodos como el Reiki o el masaje intuitivo, un antiguo navy seal enamorado que no deja de ser un tipo duro al que su pasado ...

El juego de Ripper - Libros - Trabalibros
Blake Jackson, padre de Indiana y abuelo de Amanda, es farmacéutico de profesión, y compinche de su nieta en el juego de Ripper. Isabel Allende se acerca a la novela policiaca, y con su inconfundible narrativa se adentra, buena parte de la novela, en el alma de sus personajes, pudiendo recocer en ellos características que ya encontramos en ...

About El juego de ripper. Tal como predijo la astróloga más reputada de San Francisco, una oleada de crímenes comienza a sacudir la ciudad. En la investigación sobre los asesinatos, el inspector Bob Martín recibirá la ayuda inesperada de un grupo de internautas especializados en juegos de rol, Ripper.

Tal como predijo la astróloga más reputada de San Francisco, una oleada de crímenes comienza a sacudir la ciudad. En la investigación sobre los asesinatos, el inspector Bob Martín recibirá la ayuda inesperada de un grupo de internautas especializados en juegos de rol, Ripper. "Mi madre todavía está viva, pero la matarán el Viernes Santo a medianoche", le advirtió Amanda Martín al inspector jefe y éste no lo puso en duda, porque la chica había dado pruebas de saber más que él y todos sus colegas del Departamento de Homicidios. La mujer estaba cautiva en algún punto de los dieciocho mil kilómetros cuadrados de la bahía de San Francisco, tenían pocas horas para encontrarla con vida y él no sabía por dónde empezar a buscarla".

From the NEW YORK TIMES Bestselling author, a gripping murder mystery about a serial killer on the loose in San Francisco. Indiana Jackson is 33 years old and works in an alternative medicine clinic in San Francisco that attracts all sorts of characters, some of them skeptics, who fall for her candor and humility. Her teenage daughter, Amanda likes noir literature and hopes to attend MIT, where she will be with Bradley, an old friend that she plans to marry, with or without his consent. In her free time, she plays Ripper, an online role playing game that involves solving real-life mysteries and crimes using information collected by Amanda's father, the Chief Inspector of the San Francisco police. Amanda plays the game via Skype with adolescents from all over the world and with her best friend, her grandfather Blake. Each player in the game has a virtual personality: Amanda is the game master, and Blake is her henchman; the others are Sherlock Holmes, Colonel Paddington, Esmeralda, and the psychic Abatha. When Ripper's latest murder mystery-"the case of the misplaced bat"-begins to touch their real-world lives, Amanda and her friends know they must solve the case and find the murderer before he can strike again. RIPPER is a true thriller, with the twists, surprises, well-placed clues, and revelations that lead to a climatic finale. A rich and generous novel, filled with humor but increasingly dark, it's a fast-paced read that grabs you right from the start and keeps you glued to the page.

A child of two worlds -- the son of an aristocratic Spanish military man turned landowner and a Shoshone warrior woman -- young Diego de la Vega cannot silently bear the brutal injustices visited upon the helpless in late-eighteenth-century California. And so a great hero is born -- skilled in athleticism and dazzling swordplay, his persona formed between the Old World and the New -- the legend known as Zorro.

Narrated with warmth, humor, exceptional candor and wisdom, The Sum of Our Days is a portrait of a contemporary family, tied together by the love, strong will, and stubborn determination of a beloved matriarch, the indomitable New York Times bestselling author of The House of the Spirits, Isabel Allende. "An inspiring and thought-provoking work." –Denver Post Isabel Allende reconstructs the painful reality of her own life in the wake of the tragic death of her daughter, Paula. Narrated with warmth, humor, exceptional candor, and wisdom, this remarkable memoir is as exuberant and as full of life as its creator. Allende bares her soul while sharing her thoughts on love, marriage, motherhood, spirituality and religion, infidelity, addiction, and memory—and recounts stories of the wildly eccentric, strong-minded, and eclectic tribe she gathers around her and lovingly embraces as a new kind of family.

From the author of The Disaster Days comes a thrilling survival story, and lost in the woods children's book, about two former best friends who must work together to stay alive after getting lost in a remote national forest. Jocelyn and Alex have always been best friends...until they aren't. Jocelyn's not sure what happened, but she hopes the annual joint-family vacation in the isolated north woods will be the perfect spot to rekindle their friendship. But Alex still isn't herself when they get to the cabin. And Jocelyn reaches a breaking point during a rafting trip that goes horribly wrong. When the girls' tube tears it leaves them stranded and alone. And before they know it, the two are hopelessly lost. Wearing swimsuits and water shoes and with only the contents of their wet backpack, the girls face threats from the elements. And as they spend days and nights lost in the wilderness, they'll have to overcome their fractured friendship to make it out of the woods alive. Praise for The Disaster Days: "A realistic, engrossing survival story that's perfect for aspiring babysitters and fans of John Macfarlane's Stormstruck!, Sherry Shahan's Ice Island, or Wesley King's A World Below."—School Library Journal "The strength of this steadily paced novel that stretches over four days of a scary disaster scenario is that Hannah doesn't figure everything out; she stumbles, doubts, and struggles throughout it all."—The Bulletin of the Center for Children's Books "Fans of survival thrillers in the vein of Gary Paulsen's Hatchet will enjoy this tense, honest tale of bravery...an excellent (and refreshingly not didactic) teaching tool on natural-disaster preparedness."—Booklist "The relentless progression of a variety of disaster scenarios will keep readers turning pages...equally suspenseful and informative."—School Library Connection "Behrens uses immersive details and situations effectively viewed from Hannah's perspective to create a suspenseful, vivid story filled with lessons about responsibility and overcoming adversity."—Publishers Weekly Alone in the Woods is a perfect... gift for preteen survival story fans summer reading tween book for girls 11-14 book for middle school girls

Isabel Allende evokes the magnificent landscapes of her country; a charming, idiosyncratic Chilean people with a violent history and an indomitable spirit, and the politics, religion, myth, and magic of her homeland that she carries with her even today. The book circles around two life-changing moments. The assassination of her uncle Salvador Allende Gossens on September 11, 1973, sent her into exile and transformed her into a literary writer. And the terrorist attacks of September 11, 2001, on her adopted homeland, the United States, brought forth an overdue acknowledgment that Allende had indeed left home. My Invented Country, mimicking the workings of memory itself, ranges back and forth across that distance between past and present lives. It speaks compellingly to immigrants and to all of us who try to retain a coherent inner life in a world full of contradictions.

The Trueba family embodies strong feelings. This family saga starts at the beginning of the 20th century and continues through the assassination of Allende in 1973.

Rose Pastor arrived in New York City in 1903, a Jewish refugee from Russia who had worked in cigar factories since the age of eleven. Two years later, she captured headlines across the globe when she married James Graham Phelps Stokes, scion of one of the legendary 400 families of New York high society. Together, this unusual couple joined the burgeoning Socialist Party and, over the next dozen years, moved among the liveliest group of activists and dreamers this country has ever seen. Their friends and houseguests included Emma Goldman, Big Bill Haywood, Eugene V. Debs, John Reed, Margaret Sanger, Jack London, and W.E.B. Du Bois. Rose stirred audiences to tears and led strikes of restaurant waiters and garment workers. She campaigned alongside the country's earliest feminists to publicly defy laws against distributing information about birth control, earning her notoriety as "one of the dangerous influences of the country" from President Woodrow Wilson. But in a way no one foresaw, her too-short life would end in the same abject poverty with which it began.

NEW YORK TIMES BESTSELLER • From the author of The House of the Spirits, this epic novel spanning decades and crossing continents follows two young people as they flee the aftermath of the Spanish Civil War in search of a place to call home. "One of the most richly imagined portrayals of the Spanish Civil War to date, and one of the strongest and most affecting works in [Isabel Allende's] long career."—The New York Times Book Review NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Esquire • Good Housekeeping • Parade In the late 1930s, civil war grips Spain. When General Franco and his Fascists succeed in overthrowing the government, hundreds of thousands are forced to flee in a treacherous journey over the mountains to the French border. Among them is Roser, a pregnant young widow, who finds her life intertwined with that of Victor Dalmau, an army doctor and the brother of her deceased love. In order to survive, the two must unite in a marriage neither of them desires. Together with two thousand other refugees, Roser and Victor embark on the SS Winnipeg, a ship chartered by the poet Pablo Neruda, to Chile: "the long petal of sea and wine and snow." As unlikely partners, the couple embraces exile as the rest of Europe erupts in world war. Starting over on a new continent, they face trial after trial, but they will also find joy as they patiently await the day when they might go home. Through it all, their hope of returning to Spain keeps them going. Destined to witness the battle between freedom and repression as it plays out across the world, Roser and Victor will find that home might have been closer than they thought all along. A masterful work of historical fiction about hope, exile, and belonging, A Long Petal of the Sea shows Isabel Allende at the height of her powers. Praise for A Long Petal of the Sea "Both an intimate look at the relationship between one man and one woman and an epic story of love, war, family, and the search for home, this gorgeous novel, like all the best novels, transports the reader to another time and place, and also sheds light on the way we live now."—J. Courtney Sullivan, author of Saints for All Occasions "This is a novel not just for those of us who have been Allende fans for decades, but also for those who are brand-new to her work: What a joy it must be to come upon Allende for the first time. She knows that all stories are love stories, and the greatest love stories are told by time."—Colum McCann, National Book Award–winning author of Let the Great World Spin

Fifty years of poems and wry insight celebrating one of the most dynamic careers in twentieth century American poetry.
