Success is not final and failure is not fatal. Maria Hatzistefanis should know. Having spent 20 years building her own company (described by the press as 'an overnight success'), she

Access Free How To Be An Overnight Success

acknowledges how hard it is to keep going and find your motivation, especially in the face of self-doubt, rejection and unexpected setbacks. This punchy, easy to digest book spells out how to motivate yourself and

In this book you will meet three dozen impatient people. They weren't satisfied with the slow, plodding, money-saving route to financial security, the

Access Free How To Be An Overnight Success

safe route that most of us feel stuck with. They wanted instant wealth - and they got it. As Max Gunther points out, our folklore frowns on the idea of quick money. As in the fable about the race between a tortoise

Access Free How To Be An Overnight Success

and a hare. "In the fable, the hare loses. The stories in this book are not fables. They are true. In these stories, the hares win." They are a richly varied lot, these happy hares. Gunther opens with a few

dazzling millionaire legends, such as the man who invented Monopoly. You'll then meet fascinating characters such as: Harvey Shuster, who beat the stock market; Howard Brown, who decided to be rich and

Access Free How To Be An Overnight Success

became a multi-millionaire within three years; and a group of men who made fast fortunes on fads such as the Hula Hoop and the Frisbee. These stores illustrate that the dream of quick money isn't such a ridiculous

Access Free How To Be An Overnight Success

dream after all. Read these tales about hares who have won and when you have, maybe you'll decide to run with them.
