80 must-read tips and techniques to get you started in trading Trading shares can make you rich - but it's not risk-free. You need years of experience to navigate the dangers and seize the best opportunities at the right time. Malcolm Stacey has done the hard work for you: he's learned how to be successful through years of his own experience and countless conversations with top traders. Now he's ready to share this knowledge and give you a head start. Probably Britain's best-known shares blogger, Malcolm has traded from his armchair for nearly 30 years. He's gone through it all, from frothy bull market bubbles to crunching crashes. As a BBC business reporter, he interviewed some of the most successful share traders in the world who revealed to him their top-secret strategies and tips. He's also spoken to countless business leaders to learn what makes a good company - the kind you want to be backing. In Share Attack, he distils all of this into 80 vital trading tips and techniques that you can put into practice right now. Filled with insight and experience, Share Attack is a trading book with teeth - a fascinating beginner's guide for those who want to start trading more actively. It's fast-moving and entertaining - and packed with years of techniques, tricks and red flags. You'll learn from Malcolm's early mistakes and benefit from his successes. Malcolm can't guarantee to make you rich by trading shares, but you can give yourself a much-needed edge by learning the top secrets of those who've done it all before. It's time for the Share Attack!
