An essential volume for generations of writers young and old, *Bird by Bird* is a modern classic. This twenty-fifth anniversary edition will continue to spark creative minds for years to come. For a quarter century, more than a million readers—scribes and scribblers of all ages and abilities—have been inspired by Anne Lamott’s hilarious, big-hearted, homespun advice. Advice that begins with the simple words of wisdom passed down from Anne’s father—also a writer—in the iconic passage that gives the book its title: “Thirty years ago my older brother, who was ten years old at the time, was trying to get a report on birds written that he’d had three months to write. It was due the next day. We were out at our family cabin in Bolinas, and he was at the kitchen table close to tears, surrounded by binder paper and pencils and unopened books on birds, immobilized by the hugeness of the task ahead. Then my father sat down beside him, put his arm around my brother’s shoulder, and said, ‘Bird by bird, buddy. Just take it bird by bird.’”

This book was inspired by God and written to give hope to the lost (unsaved) and to the saved (born again believers). God is the only One who knows where you are—what’s in the heart of each person—but wherever you are, there is hope. Some of author Betty Burnett’s life experiences are written in the book to help you to identify and locate

yourself. Additionally, her experiences will allow you to see the kind of drama she had in her life and what a basket case she was. You will also see that some of her experiences seemed hopeless, but God gave her hope through people He put in her life to exemplify His great love, which brought life to her situation. The book will give you a better understanding of salvation, which will give you more hope. As you grow into knowledge and understanding through the word of God, something that takes time, you will begin to have a different outlook on life. You will understand that everybody has their own problems and that somebody else's experience and how they overcame will encourage you to keep moving forward.

Just to see how it feels, for the next twenty-four hours refrain from criticizing anybody or anything. You, then, why do you judge your brother? Or why do you look down on your brother? For we will all stand before God's judgment seat. (Romans 14:10) Overtip breakfast waitresses. A generous man will prosper; he who refreshes others will himself be refreshed. observations, and reminders on how to live a happy and rewarding life." It remained on the New York Times bestseller list for two years, sold more than ten million copies, and was translated into thirty languages. H. Jackson Brown, Jr. and his wife, Rosemary, became convinced that one of the reasons for the enduring popularity of the three volumes of Life's Little Instruction Book™ was that many of its observations and reminders repeated in fresh, new language the timeless wisdom of the Bible. They searched the Scriptures and found biblical passages that corresponded to or complemented 300 entries in the three volumes of Life's Little Instruction Book™. The combination of ancient wisdom with contemporary expression serves to instruct, inspire, and enlighten in a compelling way.

Presents a humorous collection of 365 suggestions for changing an otherwise mediocre life.
