ATAP, Inc. is the worldwide USAF depot for R9, R11 & R12 refueling vehicles. We provide the U.S. Military with specialized remanufacturing services and technical support for ground support vehicles such as crash trucks, fire fighting trucks, aircraft cargo loaders, refueling trucks, hydraulic test stands, and bomb loaders.

Althusser and Law is the first book specifically dedicated to the place of law in Louis Althusser's philosophy. The growing importance of Althusser's philosophy in contemporary debates on the left has - for practical and political, as well theoretical reasons - made a sustained consideration of his conception of law more necessary than ever. As a form of what Althusser called 'Ideological State Apparatuses', law is at the forefront of political struggles: from the destruction of Labour Law to the exploitation of Patent Law; from the privatisation of Public Law to the ongoing hegemony of Commercial Law; and from the discourse on Human Rights to the practice of judicial courts. Is Althusser still useful in helping us to understand these struggles? Does he have something to teach us about how law is produced, and how it is used and misused? This collection demonstrates that Althusser's ideas about law are more important, and more contemporary, than ever. Indeed, the contributors to Althusser and Law argue that Althusser offers a new and invaluable perspective on the place of law in contemporary life.

Trope London, the second volume in the Trope City Editions series highlighting the world's most architecturally compelling cities, is a highly curated collection of photographic images from an active community of urban photographers who have passionately captured their city like never before.

Martha Mier's Tennessee Treasures takes a musical journey to three

Access Free Oshkosh T1500 Manual

different cities across the state of Tennessee. Written in three movements, it begins in Memphis. "Down on Beale Street" is a slow, bluesy piece that celebrates the musical heritage of one of the most famous streets in that city. Nashville, the home of country music, is highlighted in "Ballad for Nashville," a lyrical country waltz. The final movement, "Sunrise in the Great Smoky Mountains," visits the eastern part of the state and the city of Knoxville. The broad grandeur of the mountains is evoked through big chords, arpeggios, and a sweeping melodic line, providing a fitting close to the suite.

This second edition of Fire Service Pump Operator has been thoroughly updated to serve as a complete training solution that addresses pump operation, safe driving techniques, tiller and aerial apparatus operation, and water supply considerations. From basic apparatus maintenance to fire pump theory and advanced hydraulic calculations, this single manual covers everything a fire service driver/operator needs to know. Fire Service Pump Operator: Pump, Aerial, Tiller, and Mobile Water Supply, Second Edition meets and exceeds the job performance requirements of Chapters 4, 5, and 10 of NFPA 1002, Fire Apparatus Driver/Operator Professional Qualifications, 2014 Edition. It also addresses all of the course outcomes from the National Fire Academy's Fire and Emergency Services Higher Education (FESHE) Associates (Core) Fire Protection Hydraulics and Water Supply course.
