From USA Today Bestselling Author Blair Babylon . . . Book 1 in the Brand New Billionaires in Disguise: Maxence

Series. . . "Phenomenal read!" "A can't put it down book for me." "Now THIS is what I consider phenomenal writing!" "Simply genius." "Oh, I am in love with Maxence!" Her ex-boyfriend was supposed to propose in Paris, but instead, he swindled her out of every penny she owned. Now, the hottest man she's ever seen swoops in, rescues her, and has an indecent proposal to get her on her feet, and on her back, and on her knees. FML. I will never believe anything a man tells me, ever again. Even if he is a 6-feet-4, hot, ripped, handsome as a movie star, filthy rich billionaire. I was a good girl with nothing left to lose, literally. My ex-boyfriend had stolen everything except a non-refundable plane ticket to Paris, so I got on the plane without him. After that, it was understandable that when I started drinking, things got

a little out of hand. Luckily, a man intervened. He was so ripped that I could see every thick muscle of his abs, obliques, chest, and arms through the tight tee shirt he was wearing. He towered over the guys who were bothering me, and they backed off. I took him back to my hotel because I was full of drunken, bad decisions that night. The last thing I needed was a man who wanted to save me when I was trying to do all the wrong things. I hope you enjoy this starter book for Rogue, Billionaires in Disguise:

Maxence #1! "Maxence is everything I love in a romance novel - a whipsmart man with an anguishing call to serve that conflicts with his love for Dree. I was spellbound!" - New York Times bestselling author Julia Kent ~~~~~ "What a wild and sexy race through Paris!

Rogue masterfully combines nail biting suspense with high steam for the ride of your life with Maxence and Dree."

★★★★ ~ USA Today bestselling author JJ Knight ~~~~~

★★★★ "Another masterpiece from Blair Babylon, who I am convinced keeps getting better and better. Max is not at all as I'd imagined him, and really it's no wonder, since he has been forced to repress who he is. The real Max keeps popping up his head, doing real-Max things that the other Max wishes he wouldn't do. He struggles with his inner demons to be a Godly man, but he hasn't quite figured out how to balance the different parts of himself, and as a result, tortures himself. He is a man searching for himself, impeded by too many bad guys who wish him harm. It's hard to focus on self-actualization while trying to simply

Gosh! Author Blair Babylon is a master at building suspense. I have been eagerly awaiting Maxence's story for YEARS. Finally it arrives and I am practically salivating as I tear into the book, excited that I will finally learn the truth about the elusive Maxence. As I am reading, I am finding that Maxence's unveiling is happening at the rate of an excruciatingly slow strips tease. The end of "Rogue" finds me with almost as many questions regarding who Maxence is as the beginning of the book-- but I promise that slooowly he is starting to be unveiled. One thing that is made abundantly clear is that Maxence lives two polar opposite lives and this results in my finding myself even MORE intrigued by him. Now THIS is what I consider phenomenal writing!" -- Lil Miss Reads A Lot Book Blog
