All hardbacks in the first print run will be signed by the author. The story of genre fiction - horror, romantic fiction, science fiction, crime writing, and more - is also the story of Irish fiction. Irish writers have given the world Lemuel Gulliver, Dracula, and the world of Narnia. They have produced pioneering tales of detection, terrifying ghost stories and ground-breaking women's popular fiction. Now, for the first time, John Connolly's one volume presents the history of Irish genre writing and uses it to explore how we think about fiction itself. Deeply researched, and passionately argued, SHADOW VOICES takes the lives of more than sixty writers - by turns tragic, amusing, and adventurous, but always extraordinary - and sets them alongside the stories they have written, to create a new way of looking at genre and literature, both Irish and beyond. Here are vampires and monsters, murderers and cannibals. Here are female criminal masterminds and dogged detectives, star-crossed lovers and vengeful spouses. Here are the SHADOW VOICES.

Fangirl meets Jane Austen in this deeply heartfelt love story about hiding the worst parts of ourselves, and the people who love us anyway. " How could I open that door and let him see the messiest part of me? " From the moment she first learned to read, literary genius Darcy Wells has spent most of her time living in the worlds of her books. There, she can avoid the crushing reality of her mother's hoarding and pretend her life is simply ordinary. But then Asher Fleet, a former teen pilot with an unexpectedly shattered future, walks into the bookstore where she works...and straight into her heart. For the first time in her life, Darcy can't seem to find the right words. Fairy tales are one thing, but real love makes her want to hide behind her carefully constructed ink-and-paper wall. Still, after spending her whole life keeping people out, something about Asher makes Darcy want to open up. But securing her own happily-ever-after will mean she'll need to stop hiding and start living her own truth—even if it's messy. " A lovely tale for bookish readers that will give them all the feels. " —Kirkus

A magical story about a boy's love for his dying father and his journey to the mythic Train of Lost Things, where beloved lost objects are rescued and protected until they can be returned. Perfect for fans of The Phantom Tollbooth, The Bridge to Terabithia, and Lost in the Sun, Marty cherishes the extra-special birthday present his dad gave him -- a jean jacket on which he's affixed numerous buttons -- because it's a tie to his father, who is sick and doesn't have much time left. So when his jacket goes missing, Marty is devastated. When his dad tells him the story of the Train of Lost Things, a magical train that flies through the air collecting objects lost by kids, Marty is sure that the train must be real, and that if he can just find the train and get his jacket back, he can make his dad better as well. It turns out that the train is real -- and it's gone out of control! Instead of just collecting things that have been accidentally lost, the train has been stealing things. Along with Dina and Star, the girls he meets aboard the train, Marty needs to figure out what's going on and help set it right. As he searches for his jacket, and for a way to fix the train, Marty begins to wonder whether he's looking for the right things after all. And he realizes that sometimes you need to escape reality in order to let it sink in. In this achingly beautiful adventure, it is the power of memories, and the love between a father and son, that ultimately save the day. Praise for The Train of Lost Things: "Paquette writes with compassion and a childlike sense of belief, and Marty's journey--both personal and fantastic--will speak to readers on many levels." --Booklist "Marty's inner dialogue will appeal to readers of Gordon Korman, Jeff Kinney, and Dav Pilkey." --School Library Journal "Marty's pain at the imminent loss of his father is keenly felt, and Paquette deftly balances the emotional weight of his fear and grief with his fantasy journey on a train flying through the universe." --Bulletin of the Center for Children's Books "Kids everywhere can relate to the sorrow of losing a cherished item, giving this narrated adventure story a wide appeal [and] readers will connect with the unconditional love and hope that exists between parent and child." --School Library Connection
