Although the untimely deaths of so many of the Little Rascals is indeed tragic, there's no evidence that the cast is somehow cursed. Statistically, the numbers just don't point to anything anomalous. As the debunkers at Snopes point out, given the number of cast members, the Little Rascals have had, on average, exceptionally long life spans.

Our Gang (also known as *The Little Rascals* or *Hal Roach's Rascals*) is an American series of comedy short films chronicling a group of poor neighborhood children and their adventures. The films were created by studio executive Hal Roach, who was best known as the man behind the comedy duo Laurel and Hardy.

More than three hundred production stills and publicity photographs illustrate an anecdotal account of the gang's years at Hal Roach studios and MGM and career profiles of its star ragamuffins

It was the age of Jim Crow, riddled with racial violence and unrest. But in the world of *Our Gang*, black and white children happily played and made mischief together. They even had their own black and white version of the KKK, the Cluck Cluck Klams—and the public loved it. The story of race and *Our Gang*, or *The Little Rascals*, is rife with the contradictions and aspirations of the sharply conflicted, changing American society that was its theater. Exposing these connections for the first time, Julia Lee shows us how much this series, from the first silent shorts in 1922 to its television revival in the 1950s, reveals about black and white American culture—on either side of the silver screen. Behind the scenes, we find unconventional men like Hal Roach and his gag writers, whose *Rascals* tapped into powerful American myths about race and childhood. We meet the four black stars of the series—Ernie “Sunshine Sammy” Morrison, Allen “Farina” Hoskins, Matthew “Stymie” Beard, and Billie “Buckwheat” Thomas—the gang within the Gang, whose personal histories Lee pursues through the passing years and shifting political landscape. In their checkered lives, and in the tumultuous life of the series, we discover an unexplored story of America, the messy, multiracial nation that found in *Our Gang* a comic avatar, a slapstick version of democracy itself.

Arnold, the third son of Dora and Paul von der Porten MD, was born in Hamburg, Germany in 1917. There came Hitler's rise to power. Arnold's father was an analytical thinker. On October 14, 1933 Paul sent Arnold, only 15, to Jamaica, British West Indies, with new clothes and M100, the maximum allowed to emigrants. Thus he escaped. Several relatives were murdered. Arnold describes his adventures, including those in World War II, in his book: *The Nine Lives of Arnold*. In 1953 Arnold and his wife, Amy, migrated to America, to his aging parents. Many who have read *The Nine Lives of Arnold* have begged Arnold to write his life after Kingston, Jamaica. This book tells. No-one shall be bored!

The author recalls his carefree life in a small midwestern town at the close of World War I, and his adventures with his pet raccoon.

This is the autobiography of one of the original members of the much loved "Our Gang" comedy films featuring the Little Rascals: Spanky, Buckwheat, Alfalfa & of course, Butch. Bond played with many of the great stars of the golden age of Hollywood including Eddie Cantor & Laurel & Hardy. Mr. Bond was also the first Jimmy Olsen in the early Superman films. His story is a delightful look at life as a child star with the many luminaries of the time of glitter & imagination that still delight audiences & "Our Gang" fan clubs around the country. DARN RIGHT IT'S BUTCH is the only autobiography of a member of "Our Gang."

When a mysterious mewling package arrives in the mail, one busy young woman's life changes forever. Rascal lives up to his name, filling every day with wild adventures and long naps: brave expeditions into closets, fierce battles with curtains, and wrestling with slumbering giants... Sometimes she's tempted to throw him out the window. He's lucky he's cute. Over 128 pages, Jean-Luc Deglin paints a purring portrait of one unforgettable black cat, an elegant inky swirl in a world of striking blue tones. Hilarious and heartwarming, exasperating and enchanting, Rascal captures the full range of emotions that come with keeping God's cutest killing machine as a pet. If you love cats, or dream of having one, this book is dedicated to you. Once you bring Rascal into your life, you'll wonder how you ever lived without him.

To many, the name Carl Switzer doesn't ring a bell--the name Alfalfa, however, does. As Alfalfa, the freckle-faced kid with an unmanageable cowlick, Switzer won movie fame in the Our Gang comedies of the early 1930s. He later became known to a new generation of children when the Hal Roach films were reissued to television under the title The Little Rascals. Carl Switzer played the iconic character from 1935-1940, and his popularity surpassed many of the other characters. At the time, no one could've foreseen the tragic circumstances that lead to the end of Switzer's life within twenty years of him leaving the show.

Hollywood historian and film reviewer Leonard Maltin invites readers to pull up a chair and listen as he tells stories, many of them hilarious, of 50+ years interacting with legendary movie stars, writers, directors, producers, and cartoonists. Maltin grew up in the first decade of television, immersing himself in TV programs and accessing 1930s and '40s movies hitting the small screen. His fan letters to admired performers led to unexpected correspondences, then to interviews and publication of his own fan magazine. Maltin's career as a free-lance writer and New York Times-bestselling author as well as his 30-year run on Entertainment Tonight, gave him access to Katharine Hepburn, Elizabeth Taylor, Sean Connery, Shirley Temple, and Jimmy Stewart among hundreds of other Golden Age stars, his interviews cutting through the Hollywood veneer and revealing the human behind each legend. Starstruck also offers a fascinating glimpse inside the Disney empire, and Maltin's tenure teaching USC's popular film course reveals insights into moviemaking along with access to past, current, and future stars of film, such as George Lucas, Kevin Feige, Quentin Tarantino, and Guillermo del Toro.
