Haywood Smith, in her book THE RED HAT CLUB, captures the spirit of the young southern "Mademoiselle" in the 60's. The Mademoiselles evolve into "Red Hats" in this delightful and entertaining book. I couldn't put it down. I laughed aloud at the authors witty descriptions and wiped away my own bittersweet "memories" as they flooded down my cheeks.

Georgia, SuSu, Teeny, Diane, and Linda are back in a warm, sassy Southern novel from the New York Times bestselling author of QUEEN BEE OF MIMOSA BRANCH and RED HAT CLUB. Georgia, SuSu, Teeny, Linda and Diane have been friends for more than thirty years. As the women confront their pasts along with their hazardous adventure, they discover surprising strength in themselves and their friendships. Laughter is spiced with secrets, surprises, and pitfalls aplenty, including a midlife pregnancy test, the perils of internet dating, an all-expense-paid plastic surgery cruise, and a surprise celebration that proves it's never too late for love. As in THE RED HAT CLUB, these irrepressible heroines face the challenges of friendship in sickness and in health, with heart and indomitable humor. So join The Red Hats and remember that age is all in your head, calories should always be in chewable form (Diet Coke with chocolate é clairs!), and that when all else fails, your Red Hats will see you through.

From Haywood Smith, the New York Times bestselling author of THE RED HAT CLUB novels comes a pitch perfect story of four sisters who are forced to come together after years of silence Sisters Dahlia, Iris, Violet, and Rose—all with grown children of their own—have a complicated relationship, so when their grandmother's will requires them to spend the whole summer—without friends or family—"camping in" at her run-down lodge on remote Lake Clare in order to inherit the valuable land, old rivalries and new understanding emerge, with plenty of laughs along the way. Desperate to save her Buckhead home from foreclosure after being left in the lurch, recent divorcee Dahlia must complete the summer and sell her share immediately. Practical, even-tempered Violet will be no problem, but Iris has been Dahlia's nemesis since she learned to say, "no" to her big sister. And super-sweet, quirky Garage Sale Queen Rose is so "green" she'd test the patience of a saint. As tempers flare and old secrets are revealed, four grown women discover that the past is never truly buried, in Haywood Smith's Ladies of the Lake.

When Georgia announces her plan to marry a notorious family friend, her four best friends investigate his past only to find a slew of unanswered questions and surprises, while Georgia herself struggles to change their minds and tackles her imminent status as a mother-in-law to a man older than herself. 100,000 first printing.

From the New York Times bestselling author of *The Red Hat Club* comes a hilarious story of marriage and love and second chances. When Elizabeth Mooney escaped the shame of her "white trash" family to marry the crown prince of her small town, Howell Whittington, she never dreamed that thirty years later, she'd end up trapped in a loveless marriage to the cruel banker who's foreclosing on all her friends. Then Howe has a stroke sitting up in church, and when he wakes up, he's at the mercy of all his appetites and emotions. Transformed, Howe wants to be a real husband, which scares proper, repressed Elizabeth to death, and setting out to right past wrongs, he blackmails the town's baddies into doing the right thing by threatening to foreclose on their mortgages. The ensuing hilarious rollercoaster ride wakes up not only Elizabeth and their marriage, but the whole town and its hidebound institutions.

Wanting to remarry when her health-care costs eat up all of her money, widow Cassie Jones enlists the grudging help of reclusive fellow patient Jack and devises a pragmatic but unconventional solution when dating proves unsuccessful. By the best-selling author of *The Red Hat Club*.

Southern housewife Linwood Breedlove Scott was happily content in her comfortable, complacent thirty-year marriage, but when her husband cleans out their bank accounts and runs off with a stripper, her life takes a hilarious, yet touching, right turn into reality. With no place to go but home, she's forced back to her insular hometown and the "eccentric" family she escaped by marrying at nineteen: her senile father, her loving-yet-controlling mother, her long-suffering aunt, her crazy uncle, and her good-for-nothing brother. But despite her newly dependent situation and her family's genteel insanity, Lin begins to stand on her own two feet and wake up to the joys-and perils-of life as a single woman. And she also learns surprising lessons about her family: that things aren't always what they seem, and that the power of love governs even the most dysfunctional of relationships. This joy-filled, moving, and wise-cracking novel delivers a portrait of Southern life, Southern families, and self-discovery that readers will never forget.

Covering marriage, children, grandparents, careers, retirement, and more, this is the official book of *The Red Hat Society*, a craze that is sweeping the nation. Two-color text & illustrations throughout.

A hot, sassy, Southern romance about girlfriends, gossip, the game of love- and the game of Bunco. Woman cannot live by Bunco alone. Meet the Bunco Babes of Whispering Bay. Every Thursday night they roll dice, drink frozen margaritas, and catch up on all the gossip in their small north Florida town. Kitty Burke is the only Bunco Babe who is still single-which is okay-but she's thirty-five and may need to face the fact that her image of Mr. Right is all wrong. Take Steve. Very sexy-but on paper, with three failed marriages and a shady career, maybe not great husband material. And yes, his ring tone is "Freebird." Fellow Babes Shea and Pilar definitely vote thumbs down. But maybe there's more to Steve than meets the eye. Is it time for Kitty to roll the dice and hope that she can be as lucky in love as she is in Bunco?

From the New York Times bestselling author of *The Red Hat Club* comes a story about two unlikely friends who would never have imagined they'd end up married to the same man. Neighbors Betsy Callison and Kat Ellis were oil and water when they met thirty-five years ago. Betsy was a prim, neat freak, Republican wife, and Kat was a wild, irreverent, hippie Democrat. But they soon discover common ground that creates a bond that lasts for decades. Until Betsy's husband leaves her for his secretary, then comes sniffing back around two years later and convinces newly widowed Kat to marry him! Not that Betsy wants him back, but it's hard to move on when the newlyweds are flaunting their love right across the street. But there's trouble brewing in Paradise, and no one knows philandering Greg better than his ex-wife Betsy. Can Betsy get involved in her best friend's marriage--even if it means helping her wife-in-law figure out the same man she shared a bed with for thirty years? Told with Haywood's Smith inimitable southern voice, *WIFE-IN-LAW* provides loads of laughter, insight, and plenty of heart.
