They go to Tuscany and meet lots of incredibly gorgeous men - this was the bit I found fairly unbelievable - every man they meet is utterly gorgeous, rich, intelligent and nice - sorry, this doesn't actually happen in real life. But, this is a novel, and it passed a couple of pleasant hours.

There are many events all year round throughout Tuscany, but many are concentrated during the summer. Many sagre, or festivals dedicated around a particular local product, start in early summer and continue on through the fall as local specialties (truffles, wine, olive oil, marroni chestnuts) come into season. If you are coming to Tuscany during other periods of the year, don't worry as there is always something to see or do (or eat!) then as well.

When you think you know all the answers, the universe comes and changes all the questions. Discover what happened in Tuscany: A unique and special story that will conquer and delight the most romantic readers. Alice Morgan is a writer of romantic novels in her forties, whose inspiration has abandoned her since she divorced Jack. She doesn't get used to her new life without him and her teenage daughter, who many times seems to want to make his life impossible. Mark Hope is a reputed chef and owner of various restaurants, but a bad critic can destroy what has mattered most in life so far: his career. Alice and Mark meet because of her literary agent and his sister: Cindy Hope. She organizes a disastrous date in New York that ends earlier than expected. What they could never imagine, is that, Alice and Mark together with her teenage daughter, end up in the same family home of the Hope family, located on a beautiful hill of Montepulciano (Tuscany) because of a "confusion" of Cindy. Enticing characters will join a delightful story, full of surprises and great moments. The voices of Alice and Mark intermingle, making us believe that second chances really do exist and they may be better than we expected, despite the consequences.

Alice thought her future was set in stone, until her past came knocking... Alice Butler starred in a successful US sitcom until tensions in the cast and crew caused the show to be cancelled. Now, five years later and working towards her dream job in art history, she's called back for a revival of the show. It can only end in disaster, surely? Flown to a villa in Chianti to meet with the rest of the cast, Alice must decide where her future lies – with her boyfriend, David, who laps up the Hollywood company, or with the mysterious Matt, who shies away from public attention? A beautiful romance for fans of Lucy Coleman and Trisha Ashley.

Frances Mayes, whose enchanting #1 New York Times bestseller Under the Tuscan Sun made the world fall in love with Tuscany, invites readers back for a delightful new season of friendship, festivity, and food, there and throughout Italy. Having spent her summers in Tuscany for the past several years, Frances Mayes relished the opportunity to experience the pleasures of primavera, an Italian spring. A sabbatical from teaching in San Francisco allowed her to return to Cortona—and her beloved house, Bramasole—just as the first green appeared on the rocky hillsides. Bella Tuscany, a companion volume to Under the Tuscan Sun, is her passionate and lyrical account of her continuing love affair with Italy. Now truly at home there, Mayes writes of her deepening connection to the land, her flourishing friendships with local people, the joys of art, food, and wine, and the rewards and occasional heartbreaks of her villa's ongoing restoration. It is also a memoir of a season of change, and of renewed possibility. As spring becomes summer she revives Bramasole's lush gardens, meets the challenges of learning a new language, tours regions from Sicily to the Veneto, and faces transitions in her family life. Filled with recipes from her Tuscan kitchen and written in the sensuous and evocative prose that has become her hallmark, Bella Tuscany is a celebration of the sweet life in Italy. Now with an excerpt from Frances Mayes's latest southern memoir, Under Magnolia.

#1 NEW YORK TIMES BESTSELLER • The beloved memoir of self-discovery set against the spectacular Tuscan countryside that inspired the major motion picture starring Diane Lane—now in a twentieth-anniversary edition featuring a new afterword " This beautifully written memoir about taking chances, living in Italy, loving a house and, always, the pleasures of food, would make a perfect gift for a loved one. But it's so delicious, read it first yourself. " —USA Today For more Frances Mayes, including a tour of her now iconic Cortona home, Bramasole, watch PBS's Dream of Italy: Tuscan Sun Special! More than twenty years ago, Frances Mayes—widely published poet, gourmet cook, and travel writer—introduced readers to a wondrous new world when she bought and restored an abandoned Tuscan villa called Bramasole. Under the Tuscan Sun inspired generations to embark on their own journeys—whether that be flying to a foreign country in search of themselves, savoring one of the book's dozens of delicious seasonal recipes, or simply being transported by Mayes's signature evocative, sensory language. Now with a new afterword from Frances Mayes, the twentieth-anniversary edition of Under the Tuscan Sun revisits the book's most popular characters.

Lucy needed a change of scene. She didn't expect the change of a lifetime. Doctors Without Borders has been Lucy Young's life for the past four years. After being rescued from a conflict zone, she's making a change from saving lives under gunfire to practising medicine in safe, serene Siena. Now treating wealthy patients at a private clinic, she's never felt less comfortable. She's used to helping those in dire need – not those in need of a nip and tuck. Her turmoil grows when she encounters injured tennis star David Lorenzo, whose smiles make Lucy forget her aversion to the rich. She's soon falling for the sportsman but is she losing herself in this world of excess? All she's ever wanted was to help the underprivileged, so can her future lie in Siena at the clinic – with David? This sunny romance is the perfect summer escape for fans of Lucy Coleman and Alex Brown.
