INSTANT NEW YORK TIMES BEST SELLER Lisbeth Salander is back with a vengeance. The series that began with *The Girl with the Dragon Tattoo* continues as brilliant hacker Lisbeth Salander teams up with journalist Mikael Blomkvist to uncover the secrets of her childhood and to take revenge. Lisbeth Salander—obstinate outsider, volatile seeker of justice for herself and others—seizes on a chance to unearth her mysterious past once and for all. And she will let nothing stop her—not the Islamists she enrages by rescuing a young woman from their brutality; not the prison gang leader who passes a death sentence on her; not the deadly reach of her long-lost twin sister, Camilla; and not the people who will do anything to keep buried knowledge of a sinister pseudoscientific experiment known only as The Registry. Once again, Lisbeth Salander and Mikael Blomkvist are the fierce heart of a thrilling full-tilt novel that takes on some of the world's most insidious problems.

Mikael Blomkvist (an investigative journalist of unusual integrity) are back once again in the fifth installment of a series that changed the way we read crime novels.

The sixth Lisbeth Salander story in the Millennium Series--the crime-fiction phenomenon that has sold more than 90 million copies worldwide. Mikael Blomkvist is trying to reach Lisbeth Salander--the fierce, unstoppable girl with the dragon tattoo. He needs her help unraveling the identity of a man who died with Blomkvist's phone number in his pocket--a man who does not exist in any official records and whose garbled last words hinted at knowledge that would be dangerous to important people. But Lisbeth has disappeared. She's sold her apartment in Stockholm. She's gone dark. She's told no one where she is. And no one is aware that at long last she's got her primal enemy, her twin sister, Camilla, squarely in her sights. In the end, it will be Blomkvist--in a moment of unimaginable self-sacrifice--who will make it possible for Lisbeth to face the most important battle of her life, and, finally, to put her past to rest.

Soon to be a major motion picture starring Claire Foy. Lisbeth Salander and Mikael Blomkvist return in this ripped-from-the-headlines, high-octane follow-up to Stieg Larsson's *The Girl Who Kicked the Hornet's Nest*. One of the Best Books of the Year NPR * USA Today * O, The Oprah Magazine * Esquire A genius hacker who has always been an outsider. A journalist with a penchant for danger. She is Lisbeth Salander, the girl with the dragon tattoo. He is Mikael Blomkvist, crusading editor of Millennium. One night, Blomkvist receives a call from a source who claims to have been given information vital to the United States by a young female hacker. Blomkvist, always on the lookout for a story, reaches out to Salander for help. She, as usual, has plans of her own. Together they are drawn into a ruthless underworld of spies, cybercriminals, and government operatives--some willing to kill to protect their secrets.

From the author of the #1 best seller *The Girl in the Spider's Web*--an electrifying thriller that begins with Alan Turing's suicide and plunges into a post-war Britain of immeasurable repression, conformity and fear June 8, 1954. Several English nationals have defected to the USSR, while a witch hunt for homosexuals rages across Britain. In these circumstances, no one is surprised when a mathematician by the name of Alan Turing is found dead in his home in the sleepy suburb of Wilmslow. It is widely assumed that he has committed suicide, unable to cope with the humiliation of a criminal conviction for gross indecency. But a young detective constable, Leonard Corell, who once dreamed of a career in higher mathematics, suspects greater forces are involved. In the face of opposition from his superiors, he begins to assemble the pieces of a puzzle that lead him to one of the most closely guarded secrets of

Read Book Who Takes Eye Lagercrantz David

the war: the Bletchley Park operation to crack the Nazis' Enigma encryption code. Stumbling across evidence of Turing's genius, and sensing an escape from a narrow life, Corell begins to dig deeper. But in the paranoid, febrile atmosphere of the Cold War, loose cannons cannot be tolerated and Corell soon realizes he has much to learn about the dangers of forbidden knowledge. He is also about to be rocked by two startling developments in his own life, one of which will find him targeted as a threat to national security.

THE GIRL WITH THE DRAGON TATTOO LIVES ON. Lisbeth Salander is an unstoppable force: Sentenced to two months in Flodberga women's prison for saving a young boy's life by any means necessary, Salander refuses to say anything in her own defence. She has more important things on her mind. Mikael Blomkvist makes the long trip to visit every week - and receives a lead to follow for his pains. For him, it looks to be an important expose for Millennium. For her, it could unlock the facts of her childhood. Even from a corrupt prison system run largely by the inmates, Salander will stand up for what she believes in, whatever the cost. And she will seek the truth that is somehow connected with her childhood memory, of a woman with a blazing birthmark on her neck - that looked as if it had been burned by a dragon's fire . . . The tension, power and unstoppable force of The Girl Who Takes an Eye for an Eye are inspired by Stieg Larsson's Millennium trilogy, as Salander and Blomkvist continue the fight for justice that has thrilled millions of readers across the world. Translated from the Swedish by George Goulding

****THE GIRL WITH THE DRAGON TATTOO IS BACK!**** ****The sixth in the Millennium series - more than 100 million copies sold worldwide**** "Expertly told, the plot crackles with life" DAILY MAIL "Salander is centre stage . . . A pacy read" SUNDAY EXPRESS "Exciting and disturbing" LITERARY REVIEW "Salander and Blomkvist are just as compelling as ever" NEW YORK TIMES

***** THE GIRL WITH THE DRAGON TATTOO HAS FRESH OUTRAGE TO AVENGE As Salander follows the scorched trail of her twin sister to Moscow, Blomkvist fears for her safety. He should, perhaps, be more concerned for himself. The murder of a homeless man on the streets of Stockholm has drawn him into a conspiracy that scales the heights of Everest and plunges to the depths of Russia's criminal underworld. And now Lisbeth will face her nemesis. For the girl with the dragon tattoo, the personal is always political - and ultimately deadly. "A unique concoction that should leave Salander's legion of followers clamoring for more" Tom Nolan, Wall Street Journal Translated from the Swedish by George Goulding

Murder mystery, family saga, love story, and financial intrigue combine into one satisfyingly complex and entertainingly atmospheric novel, the first in Stieg Larsson's thrilling Millenium series featuring

Lisbeth Salander. Harriet Vanger, a scion of one of Sweden's wealthiest families disappeared over forty years ago. All these years later, her aged uncle continues to seek the truth. He hires Mikael Blomkvist, a crusading journalist recently trapped by a libel conviction, to investigate. He is aided by the pierced and tattooed punk prodigy Lisbeth Salander. Together they tap into a vein of unfathomable iniquity and astonishing corruption.

When the reporters to a sex-trafficking exposé are murdered and computer hacker Lisbeth Salander is targeted as the killer, Mikael Blomkvist, the publisher of the exposé, investigates to clear Lisbeth's name.
