Ta-Nehisi Coates embarrassed us all when he became the 12,740th Black person to politely and eloquently explain why white people can't even sing the words nigger or nigga. Good news, though.

6 Things Black People Need to Stop Saying to White People ...

It is called "black" because it absorbs all the light that hits the horizon, reflecting nothing, just like a perfect black body in thermodynamics. Black holes of stellar mass are expected to form when very massive stars collapse at the end of their life cycle. After a black hole has formed it can continue to grow by absorbing mass from its surroundings.

Black - Wikipedia

Often, there are natural reasons for this though and there is nothing sinister at work. All sorts of factors, including what season it is, changes in the weather and the abundance of nuts and seeds in the countryside can all have a big effect on what birds are coming to your garden.
