The books in this bite-sized new series contain no complicated techniques or tricky materials, making them ideal for the busy, the time-pressured or the merely curious. In just 96 pages, Improve your Verbal Reasoning helps you to practice all sorts of advanced verbal reasoning tests and build your confidence in advance of attending that job interview, assessment centre or bid for promotion.

An insight for both practitioners and academics on how to achieve a relationship advantage, this text examines five case studies, identifying the key dimensions of an outsourcing relationship.

This updated, useful book on business strategy, with The Economist brand, shows today's manager how to create and sustain a dynamic, profitable business with techniques to support effective decisions. Kourdi evaluates the tools, tactics, and techniques for making profit-boosting decisions.

This book helps managers move beyond the idea that the future of business will resemble the past and allows them to use scenarios to imagine multiple perspectives. The concepts of organizational realities, experience, and beliefs are explored to encourage and embrace change in business organizations for a successful future.
